## INSTRUCTIONS FOR USE:

1. Sanitise hands before putting on the mask
2. Cover the mouth and nose with the mask by placing the elastic bands behind the ears and make sure it adheres well to the face.
3. After use, remove the mask by touching only the rubber bands, taking care not to touch the outer surface and proceed with the sanitization according to the instructions on the label.
4. It is suggested to use it at least 20 times and we recommend washing with detergent after each use

## WARNINGS:

For daily use

Do not use if you have any discomfort or allergy symptoms on your skin.

Do not use the product if it is damaged or shows signs of wear and tear.
